Public Health Committee

H.B. No 5326 - An act concerning compassionate aid in dying for terminally ill patients March 17, 2014

Kelley Holland

Members of the Public Health Committee,

My name is Kelley Holland and I am a senior at St. Paul Catholic High School in Bristol. I am writing this letter in opposition to the proposed bill H.B. No 5326 - An act concerning compassionate aid in dying for terminally ill patients.

I do not support this bill because every person has dignity and actively taking life is wrong. Murder is illegal and suicide is not considered a good thing, so this is no different. Life is sacred. Other countries that have legalized this have opened the door to even more extreme practices, like child euthanasia.

Thank you,

Kelley Holland
